

About Vrushamini foundation

As I am a student K. Shiva Kumar of vrushamini foundation persuing Bi.P.C course. Through this it teaches me some good qualities to improve it in my future life. As it is hard for studying Bi.P.C course, it helps me to study.

Through foundation it helps, the students

- to improve leadership qualities
- to discuss of studies.
- gives general awareness to students about society
- by doing our own ways, it helps us how to be in future
- general skills about newspaper reading and writing of poems on notice boards.
- Provides us good atmosphere for studies.
- Providing awareness about health by going to park.
- Provide awareness to help the people of rural areas is my aim.
- I wish it is better to improve further qualities to the ~~go~~ students like swimming....

In my sucuss life, I want to help the poor people like you as a doctor.
